AGRO MACHINERY & FARM TECHNOLOGY

A PLATFORM FOR THE EXHIBITOR

The exhibition aims to extend a platform for your organization to connect with decision makers, large farm owners, agro enterprises, cooperatives, government agencies, and technology adopters across Bangladesh and International markets.

Exhibiting will create opportunities to:

- Demonstrate modern agricultural machinery and smart farming solutions
- Engage directly with farmers, distributors, agro-industries and policymakers
- Expand distribution networks in Bangladesh's growing mechanization market
- Launch innovative technologies for precision agriculture and digital farming
- Build partnerships with agro-enterprises, NGOs and development agencies

OBJECTIVE OF THE EXHIBITION

- To provide a comprehensive platform for agro machinery and farm technology stakeholders
- To promote mechanization, smart agriculture and sustainable farming solutions
- To connect global manufacturers with Bangladesh's agriculture sector
- To showcase innovation in farm equipment, irrigation, and agri-technology
- To facilitate partnerships among manufacturers, distributors and agro enterprises
